

Trip Conduct Covenant

Since I am attending a BUMCSM trip and I value being a part of and building up a ministry the values a welcoming community, meaningful discipleship, and living into the mission of Christ I covenant to act in the following ways:

- I will act in a Christian manner through out the trip.
- I will follow the instructions and directions of BUMCSM staff and chaperones, I will NOT talk back or show patterns of disrespect to adults.
- I will respect the space and property of others.
- I will not use any language that is discriminatory, prejudicial or un-loving toward any individual or group of people.
- I will not use profanity, nor will I use language or jokes that are crude or offensive.
- I understand that if I am found possessing or using alcohol, drugs, tobacco products, or vaping products of any kind my parents will immediately be contacted so that I may be removed from the trip. Travel costs will not be covered by BUMCSM.
- I understand that if I am found fighting or in possession of any weapon my parents will immediately be contacted so that I may be removed from the trip. Travel costs will not be covered by BUMCSM.
- I will not bring lighters, fireworks or explosives.
- If using prescription medications or over-the-counter drugs, I will only use it in the manner approved of by my parents and doctor.
- I will turn in prescription medications to BUMCSM staff upon arriving for trip. Accommodations can be made for medications that need to stay with you.
- I will not be in the sleeping quarters or rooms of any member of the opposite gender, and I will not change my rooming assignment.
- I will not wear inappropriate clothing, clothing with logos of tobacco or alcohol products, or clothing with sexual messages or innuendos.
- I will participate in programming prepared for me and not consider them “optional”.
- I will respect the campus in which we are attending and their staff.
- I will not let my technology become a distraction to myself or others, and will not allow it to become a source of inappropriate or disrespectful behavior. I understand that if I do, then it can be taken from me. (BUMCSM staff strongly encourage leaving cell phones behind as we believe that space away from technology can be of a great benefit to students)
- I understand that if I struggle with any the above conditions or continue to show signs that staff and volunteers would describe as disrespectful, my parents will be called as a warning. I also understand that if I continue to struggle with these items after receiving a warning I will be calling my parents to ask them to come pick me up. (at parents expense)

- I understand that if I have to be sent home from a trip for any reason, the only way I will be allowed to attend a trip in the future, is with permission from the Director of Student Ministry and if one of my parents attends with me.

I and at least one parent have read this together and we understand what is required and expected as I attend an upcoming trip with BUMCSM.
